## KILLED BY LIGHTNING.

### One Colored Man Dead and Another in Serious Condition.

On the old Brice place, five miles west of White Oak, during the storm of Tuesday evening one colored man was killed by lightning and another was rendered unconscious for several hours and is still in a critical condition, but Dr. J. E. Douglas, who is attending him thinks that he will recover. The two men were driving a mule and had been to see Mr. T. W. Traylor about some business proposition. They had started home when the storm came up and had reached a tenant house and just gotten on the porch when a flash of lightning killed one of them and Edmund Brown, the other man, was rendered unconscious for several hours.

### Subscription Reduced One More Month.

As we failed to mail out statements during the reduction period we are going to extend the time by which you can get The News and Herald for \$1.00 for one more month. The proposition is a simple one—those who pay what they are due the paper up to January 1st, 1916, at the old rate can get The News and Herald during 1916 for \$1.00. During this month we will mail statements to all on our list and we hope that they will respond promptly. Those who do not will be cut off from the list. We pay spot cash for everything that goes into making the paper, and have not the means to do this on time. We would dislike to part with a single name on our list but we have not the means to do a time business and adopt this rule as a necessity.

We are also sending out hundreds of sample copies to those who are not subscribers to The News and Herald with the hope that they will take advantage of the dollar rate and become a member of the News and Herald family.

### Jurymen Visit Parr Shoals.

Three sets of jurymen trying as many cases of damage suits against the Parr Shoals Company have visited the surrounding territory of this plant this court in order that they might arrive at an intelligent decision as to amount, if any, damages to assess against the company as a result of an overflow of water on their lands in question. The twelve men who went out on Tuesday had a rough trip of it. Two of the automobiles stuck in the mud and others had to be sent out from town to bring them in, arriving here in the night. Another set has gone to that point today. All other jurymen have been discharged as no other cases will be taken up this court. We understand that there are still about ten of those already instituted yet to be tried.

### District Meeting Called.

## FOR FIVE MONTHS EVERY MOVE MEANT KEEN PAIN

Mrs. Fannie Heron Says Rheumatism Kept Her in Bed, Helpless.

### SYSTEM RUN DOWN.

She Took Seven Bottles of Tanlac and Obtained Wonderful Relief. Weight Greatly Increased.

### FOR FIVE MONTHS.

"I think Tanlac has been blessed, it has done me and so many others so much good," is the praise given the Master Medicine by Mrs. Fannie Heron, of 1810 Taylor St., Columbia, wife of an employee of the Columbia Street Car Company, in her story of the almost wonderful relief Tanlac brought her.

Mrs. Heron must know what it is to suffer the keenest pain, for she was confined to her bed for five months with rheumatism. She could not turn herself, and every move meant the keenest pain. She began taking Tanlac, and now she can walk several blocks without suffering pain or feeling tired. She has taken seven bottles of Tanlac and now weighs more than she ever weighed before, she says.

Her remarkable endorsement of Tanlac follows:

"I suffered awful agony from rheumatism of the nerves and muscles, I was forced to remain in bed all the time for five months and the pain was so intense that it seemed at times I could not endure it. During those five months every move meant the keenest pain. I could not even turn over in bed so much did my muscles pain me.

"Indigestion, with which I also suffered, caused me great pain. It was awful. My system was run down, and I lost weight.

"I heard of the great relief Tanlac had brought to others in Columbia and I began taking it. I have taken seven bottles. I can now walk several blocks without feeling pain or becoming tired. I am much stronger now and am in good spirits. My relief is simply wonderful, and I know it is all due to Tanlac, for I took no other medicine along with it.

"I actually weigh more now than I have ever weighed before. I intend to continue taking Tanlac until I have completely recovered from all my ailments and my strength has been greatly regained. I think Tanlac has been blessed, it has done me and so many others so much good.

"A large number of my friends are taking Tanlac upon my recommendation. I can heartily recommend it, and tell almost every visitor what great relief it brought me."

Then Mrs. Heron named several of her friends who she said had received great benefit from it.

Tanlac, the master medicine, is sold by Obeur Drug Co., Winnsboro; Ridgeway Drug Co., Ridgeway; T. A. Ladd, Dawkins; W. H. H. Suber, Peak; S. F. Castles, Rockton. Price \$1.00 per bottle straight. Advt.
